CLUB NEWS 13/11/16

Winter Social Competitions

The leader boards are enclosed in this e-mail. Only the top ten and ties are published but it is likely that there will be more prize winners at the prize giving. For those who have played 6 matches, they now need to improve on their lowest score.

Winter Members

The current position is that we have 41 Winter Members. We extend a welcome to our latest new members, John Hoey and Liam Clegg.
